**Testimony of Chesapeake Employers' Insurance Company
and Injured Workers' Insurance Fund in Support of House Bill 800
Execution on a Judgement – Child Support Arrearage – Workers'
Compensation**

On behalf of Chesapeake Employers' Insurance Company (CEIC) and the Injured Workers' Insurance Fund (IWIF), we share our updated position on House Bill 800 as introduced by Senator Ben Brooks. HB 800 reflects compromise language adopted and passed by the Senate Judicial Proceedings, this House Judiciary Committee and the full House of Delegates in the 2022 Legislative Session, by nearly unanimous margins. As it now stands HB 800 properly takes into consideration both settlements and stipulations, which make up a significant portion of paid workers' compensation benefits in the State.

The legislation applies to the full range of paid benefits and CEIC's concerns from previous years have been fully addressed and we are happy to join Senator Brooks in supporting HB 800 this year and urge the Committee's favorable report.
