

TESTIMONY IN SUPPORT OF HOUSE BILL 746 / SENATE BILL 544:
Criminal Procedure – Non-Convictions Expungement

TO: Members of the House Judiciary Committee and Senate Judicial Proceedings Committee.

FROM: Bishop Dale Banks

Cornerstone Full Gospel Church is located in Baltimore (District 46) and we have the stated mission of meeting the physical and spiritual needs of the people while fostering discipleship and new engagement in the building of God's Kingdom. We support(s) Senate Bill 544 / House Bill 746 as a means of reducing the impact of incarceration on lower-wage workers and eliminating barriers to employment.

A criminal record can be both the cause and consequence of poverty. Lower-income workers and job seekers are routinely denied employment, housing, and educational opportunities because of a criminal record. More than [85% of employers perform background checks on all of their job applicants](#) and deny employment to many citizens based on a record. A past criminal conviction of any sort reduces job offers by half. Worse yet, in Maryland, a criminal record is acquired upon arrest, *whether or not a person is ever convicted of a crime*. Anything that occurs after an arrest is documented on an individual's criminal record and, in Maryland, will remain publicly visible via Maryland Case Search until the charges and dispositions are expunged. There is no valid reason that charges that did not result in a conviction - specifically acquittals, dismissals, and nolle prosequis- should visibly remain on the public record. However, Maryland's current law inadvertently replaces the "innocent until proven guilty" standard with an unjust "guilty even if proven innocent" standard.

Senate Bill 544/ House Bill 746. will remove acquittals, dismissals, and nolle prosequi charges from public view during the three (3) year waiting period to eliminate barriers to employment and public services. A criminal record for charges that have been dropped or voided in the court system should not prevent anyone from participating in Maryland's economy. **Cornerstone** fully supports any legislation that eliminates barriers to employment for low-income workers and job seekers in Maryland. Senate Bill 544/ House Bill 746 does just that- it removes an unnecessarily punitive barrier to employment. For these reasons, we respectfully urge a favorable report of Senate Bill 544/ House Bill 746.
