## **POSITION ON PROPOSED LEGISLATION**

**BILL: House Bill 156 - Courts - Jury Service - Disqualification**

**FROM: Maryland Office of the Public Defender**

**POSITION: Favorable**

The Maryland Office of the Public Defender respectfully requests that the Committee issue a favorable report on House Bill 156.

House Bill 156 would limit the number of individuals who are currently disenfranchised from serving on a jury in Maryland. Where one third of all Americans have a criminal record, this bill would allow more Marylanders to serve their community through jury service. In particular, this bill would have a significant impact on increasing opportunities for jury representation, whereby Maryland currently leads the nation in incarcerating young Black men – such that Maryland has incarcerated the highest percentage of people who are Black in this country, more than twice the national average. The Justice Policy Institute (JPI) has found more than 70% of all people in Maryland’s prisons, double the national average, and almost 80% of people serving at least 10 [years, are Black](#). These are the highest rates in the country, easily eclipsing the next closest states – Mississippi, South Carolina and Georgia.

The bill changes the current law which has a more expansive view of individuals ineligible for jury service because of criminal convictions. Individuals with criminal contacts are still members of their community and should not be silenced or prevented from one our country’s most basis civic duty, but also one that individuals with criminal records are directly impacted by and should have a right to participate in after their sentences have been served.

**For these reasons, the Maryland Office of the Public Defender urges this Committee to issue a favorable report on House Bill 156.**
