I am State Director of The DC Project and the State Leader of the Armed Women of America. I stand in solidarity with the Ladies of both of these groups, numbering many more than just myself.

This bill would give back the fees for those denied a permit. I COMPLETELY agree with this! Those same people likely currently possess a permit to carry under the Supreme Court case ruling and therefore have likely paid 2 times for their applications. Please consider a favorable report on HB 0860 to payback citizens who have paid and been denied.
