Re: **HB 360** Reckless and Negligent Driving – Death of Another – Must–Appear Violation (Sherry’s and Christian’s Law)
Position: **FAVORABLE - SUPPORT**

As a motorcyclist, a member of ABATE of Maryland, Inc., and the Executive Director of ABATE of Maryland, Inc., I am urging you to support HB 360. I am a motorcyclist and have travelled through 30+ states in the past 30+ years.

The HB 360 bill indicates *“providing that a person charged with reckless or negligent driving that contributes to an accident that results in the death of another person must appear in court and may not prepay the fine”*. This is a bill that is near and dear to our Mid-Shore Chapter as well and the entire membership of ABATE of Maryland, Inc. On August 30, 2006, our then State Executive Director, Marty Schultz, was killed in a motorcycle accident that involved a car running a stop sign. Many other motorcyclists and motorists have experienced similar tragedies. Quite often, the officer on the scene issues a violation for running a stop sign, failure to stay right of center or some other minor violation. We feel it should be a “Mandatory Appearance” in court if a person involved in an accident, causes the death of another individual.

ABATE requested and assisted with “right-of-way” bills in 2006 and 2007 with no success. In 2008, we were able to get SB 712 passed. However, it did not include a provision for “Must Appear.” We strongly feel that no one should be able to receive a minor traffic violation, or no violation at all, when an accident that they caused results in severe injury or death. They should **not** be able to pay a ticket to avoid going to court. They should be required to appear in court. We are not requesting a mandatory penalty, just that they would be required to appear in court. This is not just a motorcycle bill; this legislation would apply to all persons on a roadway that cause the death of another through reckless and negligent driving. Interestingly enough, motorcyclists are already covered under a “Vulnerable Individuals” provision that passed several years ago.

ABATE has been protecting the rights of motorcyclists in Maryland since 1974. We have been instrumental in getting numerous pieces of legislation enacted that affect all Maryland motorcyclists. This “Must Appear” bill would be one more tool in the toolbox that would help motorists on the roadways in Maryland. I have attached a portion of the document that is provided to all “Peace Officers” in Maryland, as prepared by the District Court of Maryland. It is a schedule of fines for violations related to Motor Vehicle Laws. The very last page is what I have attached & it is a summary of common traffic citations, the associated fine(s). If “MA” is listed in the fine’s column, that is a “Must Appear” violation. In addition, I have added a brief summary of others that I was able to find throughout this document. There are 130 pages in this document. If you would like a copy, please let me know & I can provide you with a PDF. Interestingly enough if a person causes severe bodily injury or the death of another, while fleeing and eluding a police officer, you **MUST APPEAR**.

We feel that this bill would give the family and friends of a victim of a reckless or negligent driver a bit of closure to know that the person that caused the accident would at least have to appear in court.

I am hereby urging **support for HB 360 - Reckless and Negligent Driving Death of Another - Must-Appear Violation** and **urge the committee to vote favorably.**

Sincerely,

ABATE of Maryland, Inc.
