

House Bill 0824  
Public Safety - Regulated Firearms - Possession  
and Permits to Carry, Wear, and Transport a  
Handgun  
Oppose

Mr. Chairman and members of the Judiciary Committee,

I have thoroughly read the proposed bill.

While this proposed bill is not a 2000 page omnibus bill, there are too many changes to agree with all the changes. Many suggested changes are already covered by firearm laws and regulations. If someone can not purchase or own a firearm, a carry permit is already moot, null and void. This bill should be re-submitted in more discrete proposals, until then this bill should be found unfavorable.

I OPPOSE HB0824. Vote **UNFAVORABLE** to this proposed bill.
