I am writing in opposition of SB0001, Criminal Law - Wearing, Carrying, or Transporting Firearms - Restrictions (Gun Safety Act of 2023)

It is very simple; I am and have always been a law-abiding citizen of the State of Maryland. I currently have a Wear and Carry permit and take privilege and responsibility very seriously. I feel that SB0001 significantly restrains my rights as a law-abiding citizen due to the horrific acts of citizens who refuse to follow laws already on the books.

We must always hold all those citizens that refuse to follow the law accountable to the strictest extent of the law without taking fundamental rights from the law-abiding citizens. Law abiding citizens should instead be rewarded for their behavior.

Please vote in opposition of SB0001. Instead vote in favor of holding citizens who refuse to follow the common sense gun laws that already exist.
