

HB1092-Election Law – Early Voting – Number of Days

Stance: Unfavorable

Testimony: My name is Adiena Britt and I reside withing the 45th Legislative District. I am writing to submit testimony against House Bill 1092. I have some questions, why do you wish to suppress the ability to vote? Why should there be less days in order to be able to vote? What are you Republicans so afraid of? Why don't you want as many people as possible to be able to exercise their right to vote? Why the disenfranchisement? Why the suppression? It is a sad time in this country when there is one entire party that is afraid to allow the peoples' voices to be heard. Is it because you have no platform? You have no valid ideas on how to shape our society in a way that works for everyone? It's really sad that there are as many as six or more attempts by your party to disenfranchise, suppress, or even intimidate the ability for people to vote. Why are y'all even in office?

This Bill is being submitted for these purposes: Voter Suppression and Disenfranchisement. Let's call this what it is, Voter Suppression, Intimidation and Disenfranchisement. Maybe try another line of work because you are not validly representing what the citizenry of MD actually wants in a Legislative body.
