Dear Chair Atterbeary and Members of the House Ways and Means Committee,

I am writing in support of HB270, which will increase the annual amount of tax credits available for film production in Maryland.

Plus One Rentals is a small and growing business located in Laurel. We specialize in film production supply rentals and have been in business working on Maryland productions for 10 years. Big movies and television shows are our lifeline and our best chance to grow. We have added several new full time employees in 2022 and we aim to add more as our company grows.

Major 2022 productions like AppleTV's *Lady in the Lake* and Paramount+'s *Lioness* allowed Plus One to expand our equipment offerings, hire new employees and give raises to current employees. When lawmakers provide us with favorable economic conditions, we invest in Maryland workers.

Please join the Plus One Team and all Maryland film industry workers by putting your support behind HB270.

Sincerely,

Alexander Vogan
