

I oppose due to the following being removed.

“3-126 (d) (1) (ii) Subject to subparagraph (i) of this paragraph and either as a separate part of the audit required under subparagraph (i) of this paragraph or as an individual audit, the Service shall obtain an audit that focuses on unauthorized spending, misallocated expenses, lack of conformity with State law or Board policies, and other accounting errors.”

One of the many focuses of any and all audits should be on “unauthorized spending, misallocated expenses, lack of conformity with State law or Board policies, and other accounting errors”
