

**Testimony to the House Economic Matters Committee**  
**HB250: Financial Institutions-Third Party Service Providers-Examinations**  
**Position: Favorable**

January 23, 2023

The Honorable C.T. Wilson, Chair  
House Economic Matters Committee  
Room 231, House Office Building  
Annapolis, Maryland 21401  
cc: Members, House Economic Matters

Honorable Chair Wilson and members of the committee:

Economic Action Maryland (formerly the Maryland Consumer Rights Coalition) is a statewide coalition of individuals and organizations that advances economic rights and equity for Maryland families through research, education, direct service, and advocacy. Our 12,500 supporters include consumer advocates, practitioners, and low-income and working families throughout Maryland.

We are writing today in support of HB250. HB250 enables the Commissioner of Financial Regulation to examine third-party service providers as to services and activities performed on behalf of a regulated entity as if the regulated entity was providing services or activities. As more and more firms contract or subcontract services and work with global and remote providers, it makes sense to ensure that third-party providers would be subject to examinations for regulated financial services providers and that the Commissioner should have the authority to conduct examinations of third party providers as needed.

For these reasons, we support HB 250 and urge a favorable report.

Best,

Marceline White  
Executive Director

For these reasons we support HB246 and urge a favorable report.
