

Senate Bill 381
Education - Interscholastic and Intramural Junior Varsity and Varsity Teams - Designation
Based on Sex
February 7, 2024
Oppose

Dear Chair Feldman, Vice Chair Kagan, and members of the Senate Education, Energy, and the Environment Committee,

My name is Michael English. I am a resident of District 20, and I am submitting this testimony in opposition to SB381.

Without getting too many details about a story that is not mine to tell, someone very important to me is trans, and as I've paid more and more attention to issues on the subject, I've seen time and time again that laws like this are bad faith efforts to get the foot in the door to restrict more and more rights for trans people. They won't stop here, and it is not their plan to, leaving alone the fact that even on it's own merits, this bill is harmful and will lead to the othering and misgendering of children.

I condemn this legislation in the strongest possible terms, and **I respectfully urge this committee to return an unfavorable report on SB381.**

Thank you,

Mike English
