RE: House Bill 809 – Members of Boards, Committees, Commissions, Task Forces, or Workgroups – Removal or Suspension – **Favorable**

The Office of the Attorney General requests a favorable report on House Bill 809 - Members of Boards, Committees, Commissions, Task Forces, or Workgroups – Removal or Suspension, sponsored by Delegates Vogel, Alston, Bagnall, Bhandari, Chisholm, Cullison, Hill, Hutchinson, S. Johnson, Kaiser, Kerr, Kipke, R. Lewis, Lopez, Martinez, M. Morgan, Pena-Melnyk, Reilly, Rosenberg, Szeliga, Taveras, and Woods.

House Bill 809 grants authority to an “individual or entity” that appointed member(s) for a “fixed term to a board, committee, commission, task force, or work group created by State law” to suspend or remove a member in certain circumstances. Suspension or removal is allowed for “misconduct, incompetence, neglect of duties, or other good cause.” The Bill, as amended, requires consultation with the body's chair, except where the member being removed or suspended is the chair. It also grants “notice and an opportunity to be heard” to the member subject to suspension or removal.

HB 809 is needed to fill a gap in current law. Maryland Constitution Article II, § 15 provides that the Governor “may remove for incompetency, or misconduct, all civil officers who received appointment from the Executive for a term of years.” However, this removal authority applies only to appointments made by the Governor and not by the Attorney General, as an independently elected official, nor by other individuals or entities (hereinafter “appointing authorities”) authorized by statutes to make appointments to boards, committees, commissions, task forces, or work groups (hereinafter “boards and commissions”).

While there is a common law rule that permits the removal of an officer by the official who made the appointment, that rule does not apply, however, when the law gives the appointee a fixed term of years. See., Letter from Kathryn M. Rowe, Assistant Attorney General, to Del. Jazz Lewis (Sept. 24, 2021); 20 *Opinions of the Attorney General* 372 (1935). The appointing authority can remove an officer appointed to a term of years only if the statute expressly provides this power. 21 *Opinions of the Attorney General* 197 (1936). This allows for a strange result, where an individual may be compromised in their ability to serve the State on a board or commission, yet there is nothing that can be done to address the situation,

HB 809 will solve this problem by providing the missing statutory authority. The Office of the Attorney General urges a favorable report for House Bill 809.
