

CHESAPEAKE BAY FOUNDATION

*Environmental Protection and Restoration
Environmental Education*

Senate Bill 259

Natural Resources - Maryland State Parks - Funds and Plan Alterations

Date: March 27, 2024

To: Environment & Transportation Committee
Appropriations Committee

Position:

Favorable

From:

Matt Stegman
Maryland Staff Attorney

Chesapeake Bay Foundation (CBF) **SUPPORTS** SB 259 which gives the Department of Natural Resources (DNR) the flexibility to expend vitally-needed supplemental maintenance funds on an extended timeline and expands the allowable uses of the Great Maryland Outdoors Fund to include the promotion of outdoor environmental education.

For over 50 years, the Chesapeake Bay Foundation has led outdoor education programs for students, teachers, citizens, and community leaders because the best way to learn about the importance of the Chesapeake Bay as a natural resource is to be on it. Likewise, the best way to ensure that students and the general public can act as stewards and defenders of Maryland's natural resources is to provide educational opportunities that connect people to the outdoors. At present, DNR does not have a dedicated fund available to support outdoor education within Maryland.

CBF urges the Committee's FAVORABLE report on SB 259.

For more information, please contact Matt Stegman, Maryland Staff Attorney, at mstegman@cbf.org.
