House Bill 886 – SUPPORT

House Bill 886 – Environment - CAD Task Force

House Committee on Environment and Transportation

February 23, 2024

It is important to The Oppenheimer family that the task force proposed in House Bill 886 is moved into legislation. It's important the task force has independent science experts, impacted citizens, and watermen in its membership. It's also important that the task force has meaningful bidirectional interactions with impacted communities in North Anne Arundel County and with our legislative representatives.

Sincerely

Bridget Oppenheimer
