

## TESTIMONY FOR HB0735

### Maryland Beverage Container Recycling Refund and Litter Reduction Program

**Bill Sponsor:** Delegate Terrasa

**Committee:** Environment and Transportation

**Organization Submitting:** Maryland Legislative Coalition

**Person Submitting:** Cecilia Plante, co-chair

**Position:** FAVORABLE

I am submitting this testimony in favor of HB0735 on behalf of the Maryland Legislative Coalition. The Maryland Legislative Coalition is an association of activists - individuals and grassroots groups in every district in the state. We are unpaid citizen lobbyists and our Coalition supports well over 30,000 members.

This bill, if enacted, creates the Maryland Beverage Container Recycling Refund Program, beginning operation in January 2027. It will require -

- A small deposit added to the price of glass, plastic, and metal beverage containers (10¢-15¢)
- A refund of the deposit when the containers are returned to a convenient retailer or redemption facility for recycling

The program is implemented and financed by beverage producers and will have enforceable targets and strong oversight from Maryland Department of the Environment. It is expected that Maryland can recover  $\geq 90\%$  of beverage containers with 3.5 billion fewer wasted containers/year as well as an overall reduction in litter and reduced costs to local governments. Additionally, it incentivizes investment in refillable beverage containers and increases availability of high-quality, food-grade materials.

This is clearly a direction that we should be going in. Our members support this bill and recommend a FAVORABLE report in committee.
