

SB0199 OPPOSE

Residential Property - Affordable Housing Land Trusts - Authority to Establish
Condominium Regimes

Dear Committee Members:

Please oppose SB0199. This bill involves taking control of property via grant/government monies (tax dollars) given to non-profits. This can lead to trusts purchasing large areas of residential housing, tearing down the homes, and building high density housing, destroying old neighborhoods and the character of those places. More Agenda21, Sustainable Development plans. No one who sees it for what it is, wants this. Agenda 21 is not a conspiracy. Stop this globalist overreach on our local, state, and national sovereignty. Vote NO on SB0199.
