### POSITION:

### SUPPORT

**HB 601\SB 442** – Street Racing and Exhibition Driving – Prohibited Acts and Enforcement – This bill alters certain penalties and the points assessments for certain motor vehicle violations related to participation in a race or speed contest; prohibiting a person from engaging in exhibition driving on any highway or private property that is used for driving by the public; prohibiting a person from attending as a spectator certain race or speed contests or any engagement of exhibition driving; and authorizing the towing and impounding of a vehicle involved in a race or speed contest or exhibition driving.

The Prince George's County Council and our residents have witnessed first-hand the incidents of dangerous speeding and racing contests on all of our public roads. It appears this behavior was exacerbated by the COVID Pandemic when empty roadways presented additional opportunities for these illegal activities. The Council believes that additional penalties must be imposed to stem the tide of this behavior that is a threat to human life. Accidents that will occur during these contests will likely lead to severe bodily injury and/or death. The Council believes that those persons that commit these offenses are aware that their actions are illegal and dangerous, therefore, each subsequent repeat offense of this title should result in severe, graduated penalties to the offender.

For the foregoing reasons, the Prince George's County Council **SUPPORTS HB 601\SB442** and respectfully requests your favorable consideration of its position.
