HB651 – St. Mary's County – Alcoholic Beverages – Beer, Wine, and Liquor Tasting Permits

Chair Beidle Vice-Chair KlausmeierP and Esteemed Members of the Committee:

The purpose of this bill is to establish a new alcohol tasting permit in St. Mary's County. Currently, St. Mary's County has a Beer and Wine Tasting Permit for Class A licenses. This bill creates a new permit which allows retailers to offer samples of liquor products in addition to beer and wine, limited to the equivalent of one standard drink per customer.

Establishing the new license will benefit both retailers and consumers in St. Mary's County. Retailers will be better able market new and existing liquor products, especially ones produced by local distillers, and hopeful increase customer sales. Consumers will be able to explore a wider variety of products without the obligation to purchase and may find a new local favorite.

In closing, the creation of this new permit in St. Mary's County will benefit consumers, retailers, and Maryland distillers Thank you for your consideration. I respectfully request a favorable report.

Sincerely,
