

SB0472

Oppose

State Government - Permits, Licenses, and Certificates - Processing (Transparent Government Act of 2024)

Dear Committee Members:

Please oppose SB0472. If anyone is familiar with Agenda 21's goal of central government control of all resources, all things, all systems. Many bills this year have had that Agenda21 flavor about them. This is a dissolution of representative government, leading to a takeover by a selected few entities via boards and commissions. Look no further than Plan2040 in Anne Arundel County, but this regionalization is happening in all states and counties; all the names sound similar, using terms "One," "Vision," "Plan," "2030," etc.
