**RE: HB 400 – Oppose**

Dear Chair Pena-Melnyk and Members of the Committee:

Kaiser Permanente respectfully opposes HB 400, “Maryland Medical Assistance Program and Health Insurance - Annual Behavioral Health Wellness Visits - Coverage and Reimbursement.”

Kaiser Permanente is the largest private integrated health care delivery system in the United States, delivering health care to over 12 million members in eight states and the District of Columbia.<sup>1</sup> Kaiser Permanente of the Mid-Atlantic States, which operates in Maryland, provides and coordinates complete health care services for over 825,000 members. In Maryland, we deliver care to approximately 475,000 members.

In 2023, the General Assembly passed HB 48/SB 108, establishing the Collaborative Care model in Medicaid. This bill encourages integration of primary care and behavioral health services in Medicaid. Kaiser Permanente thinks this is an appropriate way to encourage annual behavioral health wellness checks – to integrate it into annual primary care wellness visits.

Sincerely,
