

Hello Health and Government operations,

Please vote favorable for HB 1422.

I agree with “Prohibiting discrimination based on an individual's refusal to undergo a genetic procedure in education, public accommodations, commercial leasing, housing, and employment and by certain licensed or regulated persons.”

I was required to have proof of Covid 19 vaccination to walk a dog. That is above and beyond tyranny!

What happened during Covid 19 in the USA should be remembered with shame and must be prohibited from ever happening again!

Please vote favorable for HB 1422

Thank you
