

Oppose HB 0184

This is an extensive 86-page bill.

This is universal health care - free health care for all. Citizen and non-citizen.

It doesn't seem feasible to be able to pay for this!

The government will dictate what health care they decide you should have.

It also talks about non-profits being part of the structure of this program, data collection on patients, etc.

It states: **A health provider may not (3) REFUSE TO PROVIDE HEALTH CARE SERVICES TO A HEALTHY MARYLAND MEMBER ON THE BASIS OF: (X) GENDER IDENTITY OR EXPRESSION...** So if a healthcare provider is asked to perform a hysterectomy on a biological male, he cannot refuse to do it?

This is outrageous.

Please reject this bill
