

HOD - Health & Government Operations

Dear Delegate,

My spouse and I urge you to OPPOSE HB0961 related to "New Americans" as this group is not comprised of Americans but those who are siphoning benefits and stealing from the young people of Maryland -- even worse than people taking huge trash bags and stealing from three CVS stores last week in Bethesda and Chevy Chase.

These people take future jobs away from young people and as numerous news sources have recently cited -- that many entering the country (and thus the state) have criminal backgrounds and have been in prison in their home countries.

My grandparents fled the Russian pogroms and worked hard and legally emigrated and assimilated into the culture, in fact my grandfather fought in WWI.

Please put any earmarked money to better use -- to educate students in basic skills AND bring BACK shop and home ec as well as VOCATIONAL skill in high schools and prevent the se*ual indoctrination of students.

Again, vote no on HB0961.

Sincerely,
FreeVox
