

I'm Bill Love of 490 Fairoak Dr, Severna Park MD

Concerning HB0810: Criminal Law - Rapid-Fire Activator - Switch/Auto-Sear

This bill is opening up the possibility of seizure if the ATF or state police starts looking for people with this unauthorized part, i.e., going back and forth to a gun range. How will they start getting these parts off the streets? Checking bags at gun ranges? Coming to your home and checking?

Please, vote unfavorably to this unconstitutional bill.

Thank you
