Subject: **Request for FAVORABLE Report** – SB0275 – Vehicle Laws – Special Registration Plates – Gold Star and Next of Kin Families

Dear Chair Smith and Members of the Judicial Proceedings Committee:

On behalf of the members of the Maryland Military Coalition (MMC) and as its President, I write to recommend a **FAVORABLE report** by the Committee on **SB0275 – Vehicle Laws – Special Registration Plates – Gold Star and Next of Kin Families**, sponsored by the Chair at the request of the Department of Veterans Affairs.

We applaud the Department of Veterans Affairs for initiating this legislation which will authorize the recipient of a Department of Defense Next of Kin lapel button to apply for special registration plates. The name and rank of the deceased service member will be displayed on the plate ensuring that the fallen warrior is specifically remembered.

We are gratified that the criterion for memorialization is not just a warrior who died on active duty but also a Reserve or National Guard warrior who lost their life while in drill status. Drill often involves training with weapons, heavy machinery, hazardous materials and dangerous situations. Including members of the Guard and Reserve who perish while in drill status ensures their sacrifice and name is remembered.

Finally, the MMC is very appreciative of the provision that the fees paid for the special license plates will be credited to the Maryland Veterans Trust Fund, which supports veterans and family members in need. Directing that the fees go to the Veterans Trust Fund, rather than the State's General Fund, represents a special way of honoring a fallen warrior by ensuring the monies aid the veteran community.

The bill fits into Governor Moore's commitment to make 2024 the Year of the Military Family in Maryland. As Governor Moore said in December 2023, "States have a duty to answer the service and sacrifice of our military families with strong support."

The Maryland Military Coalition is a registered non-profit, non-partisan advocacy organization comprised of prominent Maryland-based veteran and military groups, representing over 150,000 service-connected individuals, including those currently serving, veterans, retirees and their families, caregivers, and survivors.

We want to thank the Department of Veterans Affairs and Senator Smith for sponsoring this legislation and their continued strong support of the uniformed services community and families in Maryland.

Respectfully,

***RE: Letter of Support with Amendment – Senate Bill 275 – Vehicle Laws - Special
Registration Plates - Gold Star and Next of Kin Families***

Dear Chair Smith and Committee Members:

The Maryland Department of Transportation (MDOT) supports Senate Bill 275 as an opportunity to recognize Marylanders whose loved ones have given the last full measure of devotion in service to our country.

Senate Bill 275 will extend the eligibility to receive Gold Star license plates to those that have received a Next of Kin lapel button and waive the fee for the plate set, along with waiving the fee for Gold Star recipients as well.

The Motor Vehicle Administration (MVA) currently offers Gold Star license plates for eligible customers and would be proud to extend that offer to Next of Kin lapel button recipients as well thanks to Senate Bill 275. Honoring those who gave their lives by allowing their remaining loved ones to display a reminder of that sacrifice is a worthy endeavor the MVA is eager to offer.

The Maryland Department of Veterans Affairs and the Motor Vehicle Administration have agreed on one technical amendment: to strike the requirements for customization on page three, lines 12-13, due to privacy concerns.

For these reasons, the Maryland Department of Transportation respectfully requests the Committee grant Senate Bill 275 and the forthcoming amendment a favorable report.

Respectfully submitted,

Christine E. Nizer

Thank you **Chair Smith** and members of the **Senate Judicial Proceedings Committee**.

As the Deputy Secretary of Maryland's Department of Veterans Affairs, I respectfully ask the Committee for a **favorable report with an amendment on Maryland establishing Special Registration Plates for Gold Star and Next of Kin Families (Senate Bill 275)**.

Today, I stand before you to express our deepest gratitude and unwavering admiration for a group of individuals whose sacrifices often go unnoticed—Gold Star families. These families have paid the ultimate price, offering their loved ones in service to our nation – and their sacrifice is immeasurable.

When we speak of Gold Star families, we are referring to those who have lost a son, daughter, spouse, or close relative in the line of duty. These families bear a burden that is both profound and heart-wrenching, yet they stand resilient, a testament to the strength of the human spirit.

The gold star, symbolizing the loss of a family member in service, is a stark reminder of the sacrifices made by these extraordinary

families. It is a symbol not only of grief but also of honor and valor. Each gold star represents a life given selflessly for the ideals that define our great nation—freedom, justice, and liberty.

This legislation will go some small way toward honoring and recognizing those lives, and those families who gave the ultimate sacrifice.

I respectfully ask the Committee for a favorable report with amendment.
