Re: Support for SB 827/HB 1079
Courts and Judicial Proceedings – Jury Examination

Dear Chairman Smith and Chairman Clippinger:

We write to urge a favorable report on SB 827/HB 1079 which addresses critical issues surrounding voir dire in Maryland. This legislation aligns Maryland with U.S. Supreme Court precedent and mitigates the risk of bias in jury selection. SB 827/HB 1079 is a crucial step towards improving our legal system, ensuring equal representation, and fostering diversity within our courtrooms. SB 827/HB 1079 offers a necessary clarification of the scope and purpose of voir dire, and provides attorneys with essential information to exercise peremptory challenges judiciously without violating constitutional principles.

We urge you to support the passage of SB 827/HB 1079 to ensure equal access to a fair and impartial trial by jury. Thank you for your attention to this matter and your dedication to the principles of justice.

Very truly yours,

President
