I am in favor of HB 440 which allows a person to operate a golf cart equipped with approved lights on Cobb Island in Charles County, between dawn and dusk, on highways which the maximum proposed speed limit does not exceed 30 mph. Golf carts must be kept to the far right of highway as feasible and the driver must possess a valid driver's license. A golf cart operating pursuant to the bill's authorization is exempt from the general requirement that each motor vehicle driven on a highway in the State be registered.

I respectfully request the Senate to return a favorable report on HB 440. Thank you for your consideration.

Thank you,

Kay Stonestreet
