**Favorable – HB 331**  
**Election Law – Candidate Expenditures – Campaign-Related Child Care Expenses**

Dear Madame Chair and Members of the Ways and Means Committee,

I respectfully submit HB331 for your consideration. This bill codifies a 2019 guidance letter from the State Board of Elections that authorized childcare expenses as an appropriate use for campaign funds. In addition, I have submitted an amendment to clarify that adult dependents with disabilities who need care may also be covered under the authorization.

The purpose of this bill is to encourage and support wider, more inclusive, participation in the political system. Currently, parents of young children and dependents with significant disabilities are disincentivized from running and serving in elected office. The importance of codification cannot be overstated. It is necessary to protect this ruling from political changes, promote awareness, and provide piece of mind and consistency for those who may run and become elected to public office.

I request a favorable report on HB331.

Sincerely,

A handwritten signature in cursive script that reads "Delegate Michele Guyton".
