

House Bill 555 - Favorable
Judiciary Committee

Honorable Chair, Vice Chair, and Members of the Judiciary Committee;

Please give House Bill 555, regarding doxxing, a favorable report.

A few years ago, my husband and I started a Facebook group to address the culture of bigotry that Pasadena, MD is known for. We're both very outspoken about the issues and the need for change, and that has made many people in our area very unhappy. A number of those people have responded by publicly posting our address on social media, which has resulted in us being harassed at our home. While my husband and I can handle ourselves, we have children who shouldn't have to deal with the anger and threats of those who disagree with us. They shouldn't have to be afraid - especially in their own home - just because their parents are trying to make their town a safe and inclusive community.

I urge you to give House Bill 555 a Favorable report. Thank you for your consideration.

Sincerely,
Debi Jasen
Pasadena, MD
