Members of the Judiciary Committee
Maryland House of Delegates
Annapolis, Maryland

Re.: Support of "Criminal Law – Manslaughter by Vehicle or Vessel – Increased Penalties," House Bill 264, Delegate Crosby (D-St. Mary's County)

**"Maryland will likely surpass
600 roadway fatalities in 2023, the most
the state has seen since 2007."**

– Maryland Motor Vehicle Administration, "Maryland Motor Vehicle Administration Releases Annual Resolutions to Help Marylanders be Road Ready in 2024," December 28, 2023

Dear Delegates:

On behalf of the Maryland nonprofit Washington Regional Alcohol Program's (WRAP) Board of Directors, staff, volunteers and the more than six-million Maryland residents we serve in the fight against drunk driving and underage drinking (including having served as project director of both Maryland's Checkpoint Strikeforce campaign and "Maryland Remembers" ceremony), I wanted to formally communicate to you WRAP's unequivocal support for House Bill 264, "Criminal Law – Manslaughter by Vehicle or Vessel – Increased Penalties," Delegate Crosby (D-St. Mary's County).

Succinctly, House Bill 264 – in an effort to counter existing Maryland sentencing guidelines for vehicular manslaughter which result in ineffectual, remarkably low imprisonment sentences -- increases the "maximum periods of imprisonment" for persons convicted of vehicular manslaughter including for those convicted of such and having been previously convicted of a number of crimes including driving under the influence of alcohol, driving while impaired by alcohol or driving while impaired by drugs or controlled dangerous substances (Maryland Transportation Section 21-902 [a][b][c] & [d]).

(over)

A coalition of diverse interests using effective education, innovative programs and targeted advocacy to end alcohol-impaired driving and underage drinking in the Washington, DC metro area.

A copy of WRAP's letter in French is available by writing WRAP, 7900 Westpark Drive, Suite A550, Tysons, VA 22102 or by calling 703/893-0461. Requests and information submitted under the FOIA Exemption Act are also available to the US of postage and copies from the MD State, State House, Annapolis, MD 21401. 410-972-5534.

As Maryland bore witness to an increasing number of traffic deaths in both 2022 and last year (Maryland Highway Safety Office/MVA) – and that over a quarter of Maryland’s roadway fatalities *still* involve drunk drivers (MVA, 2022) – a meaningful deterrent and penalty for drivers controlling a vehicle in a “grossly negligent manner” which results in death of another is both paramount and overdue.

As a means of better equating the sentence with the *lethal* crime, WRAP supports House Bill 264 and urges your consideration of favorably reporting said legislation.

□□□□□

Thank you, in advance, for your consideration. I may be directly reached with any questions at either 703-893-0461 or at kurt@wrap.org.

Cordially,

Kurt Gregory Erickson
President
