

HB1395 – UNFAVORABLE

Nelda Fink

MD District 32

Why? Why require the ombudsman? Why require it just for AACO? Shouldn't this be at the discretion of the county council or the county BOE? Is there a study indicating this ombudsman will solve anything? Since the bill does not specify what is being solved by this legislation then there is no need to mandate anything to the county. Let's honor county autonomy!

I pray for an unfavorable report!

Thank you.
