

**HB 1308 - Real Property - Recordation of Instrument With False Information -  
Penalties and Actions to Quiet Title**

**Committee:** House Judiciary Committee

**Date:** February 28, 2024

**Position:** Favorable

The Maryland Bankers Association (MBA) **SUPPORTS** HB 1308. This legislation prohibits someone from filing a recorded deed if the filer knows that the deed contains false information. Someone who violates the prohibition will be guilty of a misdemeanor and is subject to a fine not exceeding \$500.

The filing of a false deed creates severe problems for Maryland homeowners. A homeowner who has had their deed transferred without their knowledge can be subject to legal challenges, decreased access to credit, and the potential loss of property. It is essential that prosecutors have the clarity provided in HB 1308 to go after bad actors filing fraudulent deeds.

HB 1308 is a re-introduction of HB 845 from the 2023 Legislative Session. MBA appreciates the sponsor's willingness to remove the language "or has reason to know" from the legislation this year, as it eliminates liability for those involved in property transactions who make mistakes unintentionally.

Accordingly, the MBA urges issuance of a **FAVORABLE** report on HB 1308.

*The Maryland Bankers Association (MBA) represents FDIC-insured community, regional, and national banks, employing more than 26,000 Marylanders and holding more than \$209 billion in deposits in over 1,200 branches across our State. The Maryland banking industry serves customers across the State and provides an array of financial services including residential mortgage lending, business banking, estates and trust services, consumer banking, and more.*
