Testimony Supporting House Bill 814 with Amendments

Lisae C. Jordan, Executive Director & Counsel

February 8, 2024

The Maryland Coalition Against Sexual Assault (MCASA) is a non-profit membership organization that includes the State's seventeen rape crisis centers, law enforcement, mental health and health care providers, attorneys, educators, survivors of sexual violence and other concerned individuals. MCASA includes the Sexual Assault Legal Institute (SALI), a statewide legal services provider for survivors of sexual assault. MCASA represents the unified voice and combined energy of all of its members working to eliminate sexual violence. We urge the Judiciary Committee to report favorably on House Bill 814 with Amendments.

House Bill 814 – Juvenile Justice – 3d Degree Sexual Offense; Juvenile Sex Offenders in Schools

This bill contains a wide range of provisions continuing Maryland's efforts to reform its juvenile justice reform. The majority of these provisions are outside or tangential to MCASA's scope of expertise, however, two issues involve responses to sexual violence. This testimony comments only on those provisions.

- 1) **Third degree Sex Offense.** HB814 provides the court with jurisdiction over 3rd degree sexual offenses. Criminal Law §3-307. Third degree sexual offenses include sexual contact, defined by the code as "an intentional touching of the victim's or actor's genital, anal, or other intimate area for sexual arousal or gratification, or for the abuse of either party" (with certain exceptions) PLUS an aggravating factor such as dangerous weapons or threats of death, suffocation, strangulation, disfigurement, serious physical injury, kidnapping or multiple assailants. These are very violent offenders and jurisdiction is appropriate. Third degree sex offense also includes some age-based crimes, but these are either only applicable to offenders over 21, so juveniles are not involved by definition, or involving children under 14 and offenders at least 4 years older. Again, jurisdiction is appropriate.
- 2) **Suggested Amendments regarding agency coordination – juvenile sex offenders and education.** Current law requires juvenile sex offenders over the age of 14 to be on a separate registry. Registration is only required for offenders found responsible or

convicted of first or second degree rape or third degree sexual offenses involving aggravating factors. Currently, only law enforcement has access to this registry. MCASA respectfully requests that school superintendents also be provided with access to the juvenile sex offender registry so that they may comply with Criminal Procedure §11-722 providing for alternative educational settings for juvenile sex offenders. This will help keep other children safer. Proposed amendments are attached.
