

If your goal is to DESTROY all business that has risk, like learning to ride a motorcycle or learning to ride a horse or learning to zip line... then support this bill. Insurance is already a huge burden on For Profit AND Non Profit Businesses.

This bill is GUARANTEED to put all business like these OUT OF BUSINESS due to prohibitive insurance costs.

America is supposed to be the LAND OF THE FREE.. free to make our own choices like reading and agreeing to a liability waiver so we can choose to enjoy higher risk activities or not !!!

Thank You -- Erica Lancaster
