

HB620

Favorable

Montgomery

Chair, Vice Chair and members of the Ways and Means Committee,

Good afternoon, my name is Megan Montgomery and I write to testify favorably for HB620. Raising awareness regarding the risk of human sex trafficking is a worthy endeavor for Maryland, especially as our little state sits directly on I-95, a known corridor for human sex trafficking.

We must do everything in our power to try and eliminate the humanitarian crisis that is sex trafficking, and education regarding this topic is a good next step.

I hope that you vote favorably on HB620. Thank you for your time.
