Subject: HB0025

Date January 29, 2024

Dear Delegates,

HB0025 - Sexually Explicit Materials - Prohibited in Public School Libraries and Media

The Baltimore County Republican Party completely **SUPPORTS** HB0025 Prohibiting Sexually Explicit Materials in Public School Libraries and Media.

Sexually explicit materials in the public school libraries promote sexual conduct among students even in the grade schools and often create confusion.

Children should learn at the appropriate age in the school Science curriculum the basics of sexuality and from the parents at home but not from fiction books with explicit sexual content that promotes various sexual activities and often confusing behavior

Thank you,

Patricia Fallon Chair, Baltimore County Republican Central Committee 14823 Hanover Pike Upperco, MD 21155 Baltimore County
