

SB0417

Oppose

Election Administration - State Administrator, Local Boards, and Election Directors

Dear Committee Members:

Please oppose SB0417. This sounds like the State Board of Elections cracking down on local Bds of Elections. At this time, each board needs to focus on its own accountability, whether it's State or local, given the growing distrust in our elections system. If voters are finding dirty voter rolls, boards at both levels need to focus on basic problem like this from the ground up. This bill would only distract from that goal. Please vote NO on SB0417.
