**Re: HB 1210** – Income Tax – Credit for Cybersecurity Measures Undertaken by Small Businesses - **Support**

Dear Delegate Atterbeary:

This bill would be a welcome and positive move that would both encourage and reward implementation of cyber security measures. These measures would lead to reduced cyber incursions that can have dramatic cost impact to Maryland businesses and consumers.

The Carroll County Chamber of Commerce, a business advocacy organization of nearly 700 members, supports this bill. We therefore request that you give this bill a favorable report.

Sincerely,

A handwritten signature in black ink that reads "Mike McMullin".
