

The Honorable Ben Barnes, Chair
House Appropriations Committee
120 Taylor House Office Building
Annapolis, MD 21401

Dear Delegate Barnes,

I have had the privilege of participating in career programs at my high school, including career expos, field trips to universities, and hands-on experiences at trade schools. These programs have helped me shape my future. I worry that HB 1245c will limit access to these crucial resources for students. Please vote against this bill to continue supporting career education initiatives in our schools.

Sincerely,

Gerald Jamison
