

BILL: HB 1114 - Public Service Internship Scholarship Program - Renaming and Funding

COMMITTEE: Appropriations

HEARING DATE: March 5, 2025

POSITION: Favorable

CONTACT: Jaden Farris, Chief of Staff — jadenfarris@umbc.edu

The University of Maryland, Baltimore County Student Government Association represents over 10,000 undergraduate students. As such, we strongly support House Bill 1114.

This legislation strengthens Maryland's commitment to encouraging the next generation of young people to enter public service as a career. This bill is a critical investment in Maryland's future workforce. The bill ensures that sufficient resources are allocated to sustain and grow the program, which provides invaluable hands-on experience to students who aspire to serve their communities.

For these reasons, the UMBC SGA respectfully requests a **favorable report**.
