

The Honorable Ben Barnes, Chair
House Appropriations Committee
120 Taylor House Office Building
Annapolis, MD 21401

Dear Delegate Barnes,

The career programs at my school have opened my eyes to new possibilities. Because of the field trips and guest speakers our career coach has arranged, I now have a clear direction for my future. If HB 1245 passes, many students will lose access to these valuable experiences. I ask you to oppose this bill to ensure that future students continue to benefit from career education programs.

Sincerely,

Kaiyanna Rogers
