Re: **Support Senate Bill (SB) 325 - Income Tax - Credit for Employers of Eligible Apprentices - Alterations**

Independent Electrical Contractors (IEC) Chesapeake represents approximately 200 electrical contractors who employ approximately 15,000 workers in the mid-Atlantic region. In addition, IEC Chesapeake has nearly 1,000 electrical apprentices. As one of the three largest apprenticeship programs in Maryland, IEC Chesapeake supports SB325 which would support apprenticeship programs by making the tax credit more accessible to employers and extending its availability. The bill extends the tax credit program's termination date from January 1, 2025 to January 1, 2031, giving employers a longer window to take advantage of the credit.

Thank you for your consideration. If you have any questions, please contact Grant Shmelzer, Executive Director of IEC Chesapeake, at 301-646-0197 or at gshmelzer@iec-chesapeake.com or Kevin O'Keeffe at 410-382-7844 or at kevin@kokeeffelaw.com.
