Proudly representing the transit workers of the MTA!

SB 190 - Land Use - Transit-Oriented Development - Alterations

Favorable

Senate Budget and Taxation Committee
January 29th, 2025

ATU Local 1300 represents over 3,000 transit workers at the Maryland Transit Administration (MTA). This includes bus operators, bus mechanics, rail operators, rail maintenance workers, and more. Our members keep Maryland moving every day.

Transit oriented development (TOD) is a key component of sustainable transportation. Building dense, mixed-use, and walkable neighborhoods near our existing transit infrastructure is essential to ensure we get the best return on our investments. As a transit union, one of our goals is to help move as many riders to where they need to go. TOD drives ridership and helps decrease car dependency. Maryland has a substantial number of underutilized rail stations that would benefit from a serious statewide push for transit oriented development.

SB 190 helps promote transit oriented development by removing many of the roadblocks to development through statewide standardization. We urge the committee to issue a favorable report on SB 190.
