RE: SB 860 – Gaming - Prohibition of Online Sweepstakes Games and Revenue  
From Illegal Markets – Letter of Support

Dear Chair Guzzone:

This letter is in support of SB 860, which, in part, makes online sweepstakes games illegal in Maryland.

Online sweepstakes companies claim that sweepstakes are not gambling because players are not making a purchase for the chance to win real money and prizes. However, they effectively function like all other forms of gambling and have the same addictive potential. States are catching onto the damage of online sweepstakes and are increasingly filing lawsuits against these operators; for example, an online sweepstakes operator, VGW, faces multiple lawsuits alleging it is operating an illegal gambling website. Maryland has not filed any lawsuits, but the Lottery has sent cease-and-desist letters to six operators informing them their websites were illegal and demanding they block Marylanders from accessing their sites. The operators have responded, but none have agreed to block Marylanders' access.

This bill will give the state more recourse against these illegal operations. We urge a favorable report on SB 860. If you would like more information, please contact Mary Drexler at [mdrexler@som.umaryland.edu](mailto:mdrexler@som.umaryland.edu).
