RE: LOS – HB564 Dorchester County - Alcoholic Beverages - Venue Beer, Wine, and Liquor License

Dear Chairman Wilson and Committee Members,

On behalf of the Dorchester County Council, I respectfully offer its support for House Bill 564, entitled “Dorchester County - Alcoholic Beverages - Venue Beer, Wine, and Liquor License” for the purpose of establishing in Dorchester County a venue beer, wine, and liquor license that authorizes the holder to sell or serve beer, wine, and liquor for on–premises consumption during an event where food is served; authorizing the Board of License Commissioners for Dorchester County to issue the license to a nonprofit or for–profit retail business that hosts private or public events at a venue that meets certain criteria; and generally relating to alcoholic beverages licenses in Dorchester County.

House Bill 564 seeks to introduce a new licensing option for businesses in Dorchester County, aligning with similar licenses available in other Maryland counties. The Venue Beer, Wine, and Liquor License outlined in HB564 represents an important step forward in ensuring Dorchester County remains competitive and attractive to both current and prospective business owners. By providing this licensing option, the County can foster growth in its business sector, particularly in industries related to hospitality and event management, which are vital to our local economy. This bill addresses the evolving needs of business owners, who are seeking more flexible licensing options to serve their patrons responsibly while enhancing their offerings. Introducing this license will not only encourage new business ventures but also help retain existing businesses that might otherwise consider relocating to neighboring counties with similar opportunities. The Dorchester County Council believes HB564 is an essential measure to support economic development and community growth in our region. We urge you to look favorably upon this bill and support its passage.

Thank you for your time and consideration of this letter of support. If you have any questions or require additional information, please contact the Council’s Office at (410) 228-1700.

Sincerely,

George L. Pfeffer, Jr.
