RE: HB 1441- Business Regulation- Electronic Smoking Devices Manufactures-Certifications

Position: Favorable

My name is Kirk McCauley, my employer is WMDA/CAR, we represent service stations, convenience stores and repair facilities across the state as a non- profit trade group.

HB1441 will create a directory for ESDs that is similar to tobacco products. Directory is crucial in putting manufactures, wholesalers, and retailers on same page and taking away gray areas for enforcement personal.

We ask for a favorable report on HB1441
