

TAHARKA BROTHERS ICE CREAM

House Economic Matters Committee
Witness Testimony
HB0015

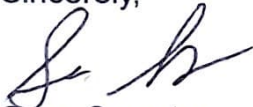

Jan 17, 2025

My name is Sean Smeeton and I am supportive of a favorable decision for HB0015 as it is presented.

I founded Taharka Brothers Ice Cream in 2013 to become a worker owned company. Unfortunately, the legal journey to attaining that goal was long and challenging. We finally achieved the goal of becoming employee owned in December 2020 - a seven year journey.

I'm a big believer in the power of worker-owned businesses and trust this bill will streamline the legal process for aspiring worker owned businesses.

Sincerely,
