The Honorable CT Wilson, Chair
House Economic Matters Committee
230 Taylor House Building
Annapolis, Maryland 21401

Dear Chair Wilson and Members of the House Economic Matters Committee:

I am writing you to express the strong support of the Maryland Workforce Association for **HB 501: The Registered Apprenticeship Investments for a Stronger Economy (RAISE) Act**. As the Association of the thirteen local workforce boards in the State of Maryland, we appreciate the Moore-Miller Administration's focus on building Maryland's economy through building the State's workforce. The State's local workforce boards are the boots on the ground connecting job seekers with employment opportunities. We also assist businesses in growing their businesses through investing in their employees through initiatives like Registered Apprenticeships, while also identifying candidates for opening positions.

This bill will continue Maryland's focus on expanding Registered Apprenticeship programs. It also invests in intermediaries to connect businesses with apprenticeship opportunities. We believe that the local workforce boards are the definition of a qualified intermediary, and look forward to working with the Department of Labor on this endeavor. Of note, several of the workforce boards and the Association itself is so committed to the apprenticeship model that we are currently exploring ways in which the workforce boards and Association can serve as not only an intermediary, but a sponsor of Registered Apprenticeship programs. The Association also continues to provide professional development opportunities for front line workforce staff, community college professionals, and K-12 education providers on the benefits of Registered Apprenticeship.

Additionally, the Association supports the utilization of a greater than one-to-one ratio for certain occupations. We believe this is the only way to truly see the apprenticeship growth that the State is seeking.

In short, we strongly support this measure and respectfully ask for the Committee's favorable consideration of this bill. Should you have any questions regarding this testimony, please do not hesitate to reach out to Brandon Butler, the Association's Executive Director at 240.434.5524 or mwaexecdirector@gmail.com.

Sincerely,

Kirkland Murray, President
Maryland Workforce Association
