

Good afternoon, and thanks for giving me the opportunity to speak to all of you. My name is Balvinder Singh. I own convenience stores in PG County, Baltimore County and in the City of Baltimore.

I support House Bill 1441 and Senate Bill 918. We're a responsible retailer, we ID any customer who comes to our store and buys tobacco products regardless of age. We buy our products from reputed wholesalers, we play by the rules, but additional structure is needed with e-cigarettes.

It is extremely difficult to know which e-cigarette products are legal and those that are not. I would like to see a list from the State of Maryland telling me what I can sell and what I cannot when it comes to all e-cigarettes. Help us by passing House Bill 1441 and Senate Bill 918. Thank you.
